

Albany Diocesan Cemeteries is honored to uphold the Corporal and Spiritual Works of Mercy as we respect the deceased, bury the dead, and offer comfort to families we are privileged to serve. We strive to maintain and preserve our cemeteries as a matter of duty and to reaffirm our commitment to preserve and protect them for all time. Our duty and mission has not changed, and will continue on for generations.

Unfortunately, preservation and restoration needs continue to rise. Our operating budget is simply not sufficient to address all needed repairs and landscape issues that develop within our hundred+ year old cemeteries. Thanks to the past generosity of donors, we have been able to address many issues that impact the appearance and safety of our cemeteries, but there is more to be done.

We ask for your partnership this year to help continue restoration and preservation of our grounds, including beautification efforts and continued road and tree work. Please consider a gift to help. ***100% of your donation will be used for renovations in the Cemetery of your choice from the list below.***

Thank you for supporting your Catholic Cemetery.

"May the Love of God and the peace of the Lord Jesus Christ bless and console you and gently wipe away every tear from your eyes..." (Rite of Committal)

*P.S. Did you know that when you pre-plan your cemetery needs,
that revenue supports your cemetery?
You may also make a bequest to your Cemetery in your will.*
